

Build your own brand and drive traffic to your website.

BUILD YOUR BRAND AND DRIVE TRAFFIC TO YOUR WEBSITE

The Employer Hub uses a combination of video, images, and text to tell your organization's dynamic story. Your profile is fully customizable to capture your organization's unique character. Use this flexible platform to strengthen your employment brand and drive applications. Includes your branded job details, application pages, and content pages with tailored SEO opportunities and a unique URL.

TECHNICAL SPECIFICATIONS

Employer Hubs will post five days after submission of materials. Please supply the following items:

- Company description.
- Header image (JPG or PNG 1920 px wide x 1080 px deep).
- Company logo (JPG, PNG or SVG 360 px wide x 180 px deep).
- Images (JPG or PNG. Ideal size is 725 px wide x 408 px deep, but we have fit/fill/zoom functionality to accept larger images as required. For full width images, the minimum width is 1200 px).
- List of supplemental pages/tabs needed.
- Color/branding scheme, need at least 2 colors, please provide HEX values.
- Video YouTube links.

RATE

\$6,000 (1-year posting).

Any jobs promoted within an Employer Hub must also be posted on the ScienceCareers.org website.

Sample Profile

The screenshot shows a sample Employer Hub profile for Roche. The header features the slogan "Drive innovation. Change lives." and an image of a hand holding a magnifying glass over a DNA helix. The main content area is divided into sections: "Home", "Our jobs", "Why Work for Roche in Switzerland?", "Career Opportunities", and "Working at R&D". The "About Roche" section contains detailed text about the company's history, mission, and global presence. The "Latest jobs" section indicates that there are currently no jobs available. A "Create Job Alert" button is visible at the bottom of the profile.
